

ALPHA GAMMA RHO

December 2024

Dear Chapter Leaders & Alumni,

We would like to invite you to our first Greekbill Training opportunity on Thursday, December 12th @ 4pm CST. Please register by clicking [HERE](#).

Someone from your chapter will need to attend this training to have early access to Greekbill prior to our overall AGRconnect launch in February 2025. If all necessary chapter paperwork has been submitted to Brad Wright by December 12th, you will get access to Greekbill the following day. This allows the chapter to have ample opportunity to set up a budget and invoice members accordingly going into the Spring 2025 semester.

Should you have any further questions please feel free to reach out to us.

Best,
Your ChapterSpot Transition Team
